

Grane Rx proudly provides **comprehensive pharmacy services** to ICFs and Group Homes.

What does it mean to partner with Grane Rx?

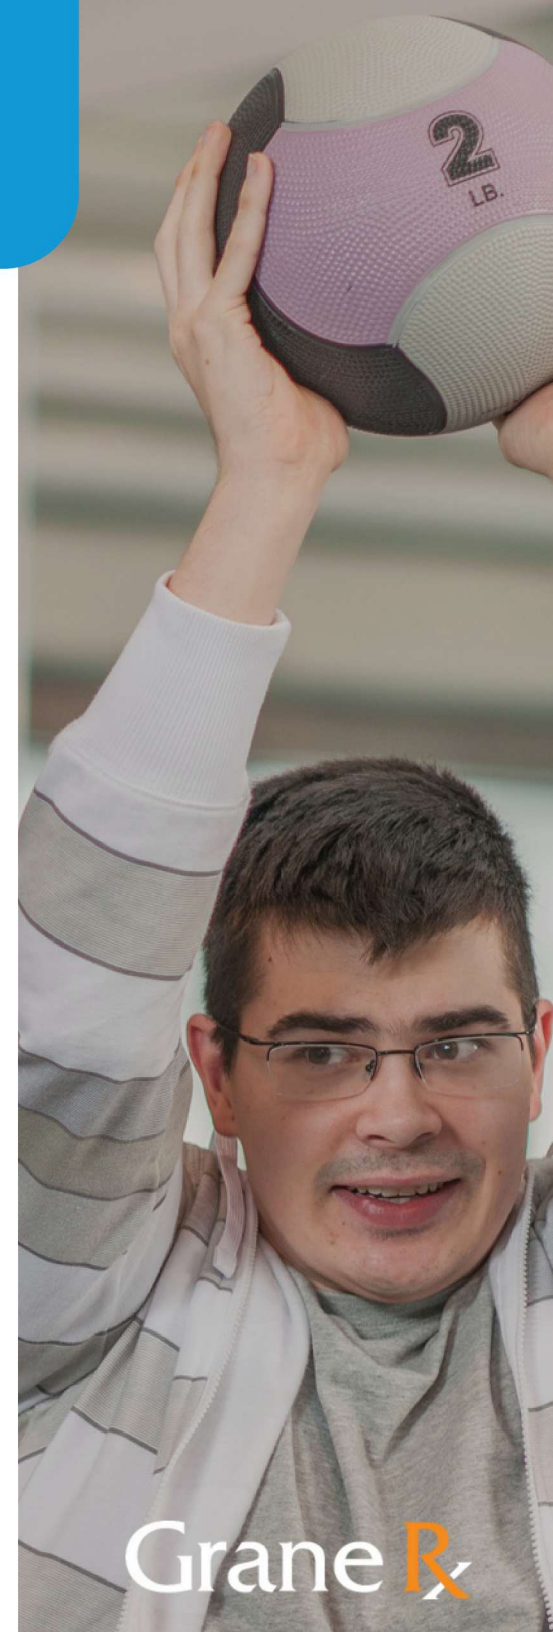

- ✓ 24/7 access to our pharmacists with IDD, ICF knowledge
- ✓ Refills and prior authorization management
- ✓ Customized delivery options to sites
- ✓ Reduced staff burden
- ✓ Four hour turnaround time for STAT meds

With more than 40 years of combined pharmacy excellence caring for IDD communities, our high-touch partnership drives informed and effective medication management tailored to the specific needs of your program - **so you can focus on care.**

We'd love time to learn about the unique needs of your program. **Scan the QR code** to the right or email **efolino@granerx.com** to get started. >>>
